## **RELIANT PARKING WELCOMES INDUSTRY VETERAN MICHELE LUKER TO SALES LEADERSHIP ROLE**

**SAN DIEGO (October 29, 2020)** – Reliant Parking, the leading full-service software company specializing in supporting property management and building communities is pleased to announce the hiring of vehicle management industry veteran Michele Luker to lead their sales efforts. In her role as Sales Manager, Luker will be responsible for developing new business opportunities and creating customized solutions to meet customer needs.

Before joining Reliant Parking, Luker spent over 20 years with Enterprise Fleet Management, a division of Enterprise Rent-A-Car, and held various management positions including most recently as Senior Account Manager where she was honored five times as the "Account Manager of the Year."

"With over 20 years of building a superior reputation and proving to be a devoted customer advocate, Michele brings an incredible breadth of experience in building relationships and problem-solving that is welcomed during our time of remarkable growth" said Reliant Parking CEO Kevin Wexler.

Reliant Parking offers technology integrated solutions nationally for property management, apartment and condominium communities, student housing, and HOAs.

"I am truly honored to add value to the Reliant Parking team and our efforts to take this company to new heights," said Luker. "My career journey has led me to Reliant Parking which is very aligned with my core values and I look forward to the many opportunities in front of us to be of service to our clients"
